NUMERIA

The map depicts a vast, arid landscape with a complex network of rivers and a prominent red dashed line. Key locations and features include:

- Settlements and Landmarks:** Arranor, Lackthrot, Graymoor, Chased, Sunder Horn, Starfall, Silver Mount, Torch, Clipping, Landeruigh, Castle Orion, and Draud Knuck.
- Geographical Features:** The Selan River flows through the region, with various smaller tributaries and waterfalls like Starfall.
- Wildlife and Creatures:** The map is populated with various creatures, including a large dragon-like creature in the bottom left, a mammoth-like creature in the top right, and several smaller, more fantastical beasts.
- Navigation:** A large, ornate compass rose is located in the top right corner, indicating the cardinal and intercardinal directions.
